

ISO / IEC 27001:2022 Lead Implementer Course

Exercise 14:

Instructions:

- Make a list of risks / issues as per the organization
- Considering your company as a case study for ISO 27001:2022 implementation
- Take a blank piece of a white paper, write (by-hand). Do not copy or review; trust your memory.
- Take a clear snapshot of the paper, create a folder on Google Drive 'ISO 27001:2022 Lead' and save the snapshot (If you did not create in Exercise A)
- Send me the link to access the snapshot file on your Google drive via Facebook Messenger.
